

FOR IMMEDIATE RELEASE

FNC to Host Second Annual FNC Park ‘Spring in Your Step’ 5K
Event to Benefit Lafayette County Children

Oxford, Miss. (Dec. 17, 2009) – Mortgage technology leader FNC, Inc. announced today it will host its second annual FNC Park “Spring in Your Step” 5K on April 3rd, 2010.

The 5K run/walk will take place in conjunction with the Oxford Park Commission’s Spring Soccer Fling. All proceeds from the race will help local Lafayette County children pay for registration fees, equipment, and uniforms when they play OPC sports.

Race participants can run or walk the course, which is routed completely inside FNC Park. Registration will be available online as the race gets closer along with a preregistration table available from 7-8 a.m. located in the parking lot at FNC Park. All participants will receive a T-shirt; special prizes will be awarded to the winners.

Last year, 70 runners and walkers attended in the light rain to participate in the charity event. Bill Dabney, FNC manager of public relations, is expecting this year’s event to draw a larger crowd.

“Many of our participants last year said they had a great time because the course is so unique. It’s a really cool, winding, all-terrain course,” Dabney said. “We hope even more people will come out to support the park and the children of Lafayette County this year.”

FNC Park is located on Old Sardis Road. The park is one of the premier soccer, baseball, and softball facilities in Mississippi that handles city, county, and tournament projects.

To help sponsor the race or for information, contact William Gillis at wgillis@fncinc.com. Also check us out on Facebook (search FNC Inc., then click ‘Events’).

About FNC, Inc.

FNC pioneered real estate collateral information technology. Since 1999, FNC has offered solutions that automate appraisal ordering, tracking, documentation and review for lender compliance with OCC, OTS, Federal Reserve, FDIC, and other regulations. FNC’s lender clients have realized reduced costs and more efficient loan processing. With its collateral management platforms and collateral-focused data and analytics, FNC provides advanced insight into the property backing a loan from origination to capital markets. No one understands real estate collateral better than FNC. Visit FNC online at www.fncinc.com.
